To Local Business Owner:

I want to inform you of two new programs available for assisting small businesses in their reopening. One is the Michigan Small Business Restart Program and the deadline is August 5, 2020. You can learn about it at this website:

The other program is the Oakland Together Small Business Recovery Grant and the deadline is August 24, 2020. You can learn about it at this website:

The Oakland County website contains information about several grants that are available to help Michigan residents and businesses. Deadlines, information and applications for other grants are available online.
